Re: United States v. Denroy Morgan  
11 Cr. 1097 (PAC)

Hon. Judge Crotty:

With the government's consent, I request an adjournment of the October 3, 2012, status conference to November 15, 2012. We need additional time to complete the review and appeal process at the United States Attorney's Office.

✓ To that end, we request that the time between October 3, 2012 and November 15, 2012, be excluded under the Speedy Trial Act, pursuant to Title 18, United States Code, section 3161(h)(7)(A). Excluding time will best serve the ends of justice and outweigh the best interests of the public and the defendant in a speedy trial, because it will allow the government and defense counsel to continue discussions regarding a possible disposition in the matter.

✓ We also ask the Court to modify Mr. Morgan's pretrial conditions of release. With the consent of USPTO Christina Feo and AUSA Ferrara we ask that Mr. Morgan be placed on regular (and not on strict) pretrial supervision. Thank you.

Respectfully submitted,

*Sabrina P. Shroff*
